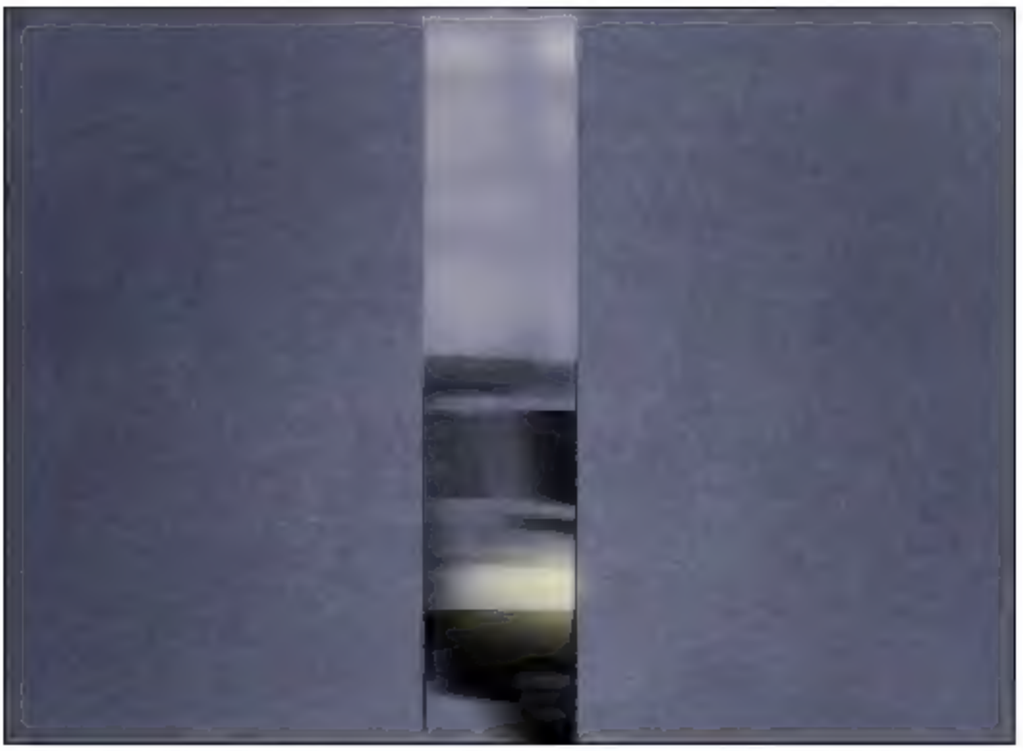
You can't go there

You can't come back.

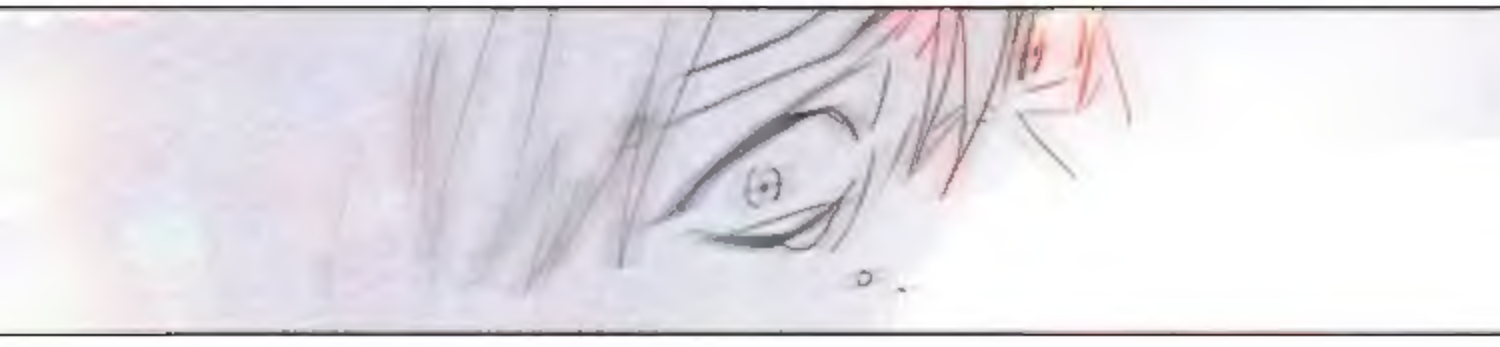
I can't go further.

Please.



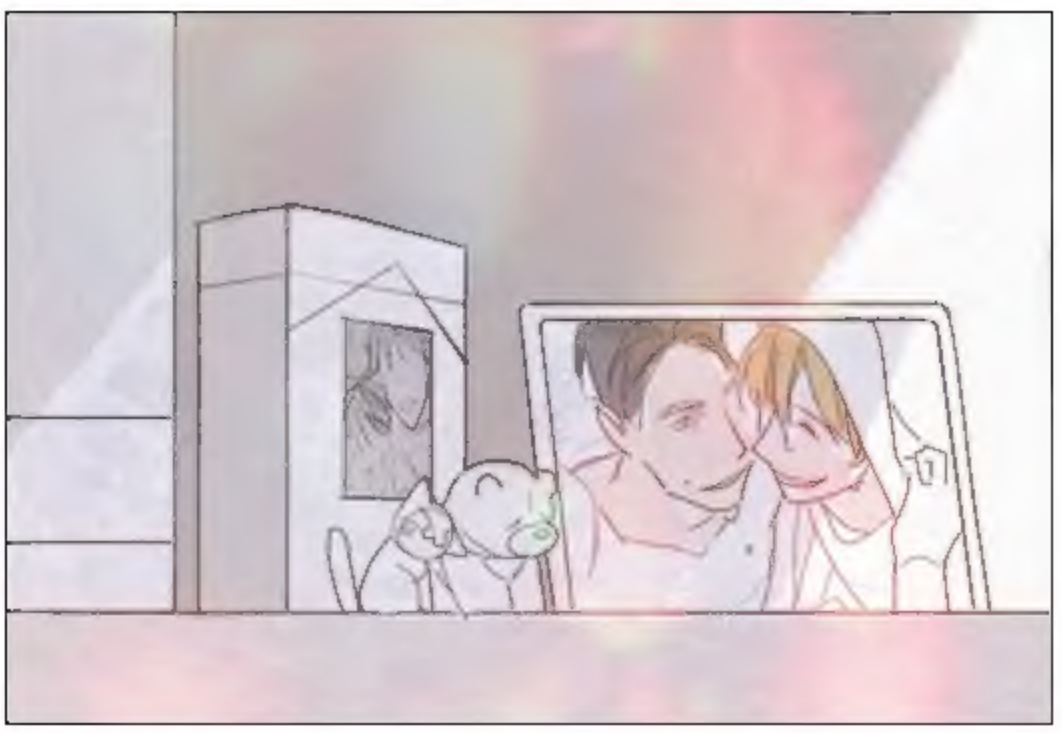
This is a dream

Within a desire.



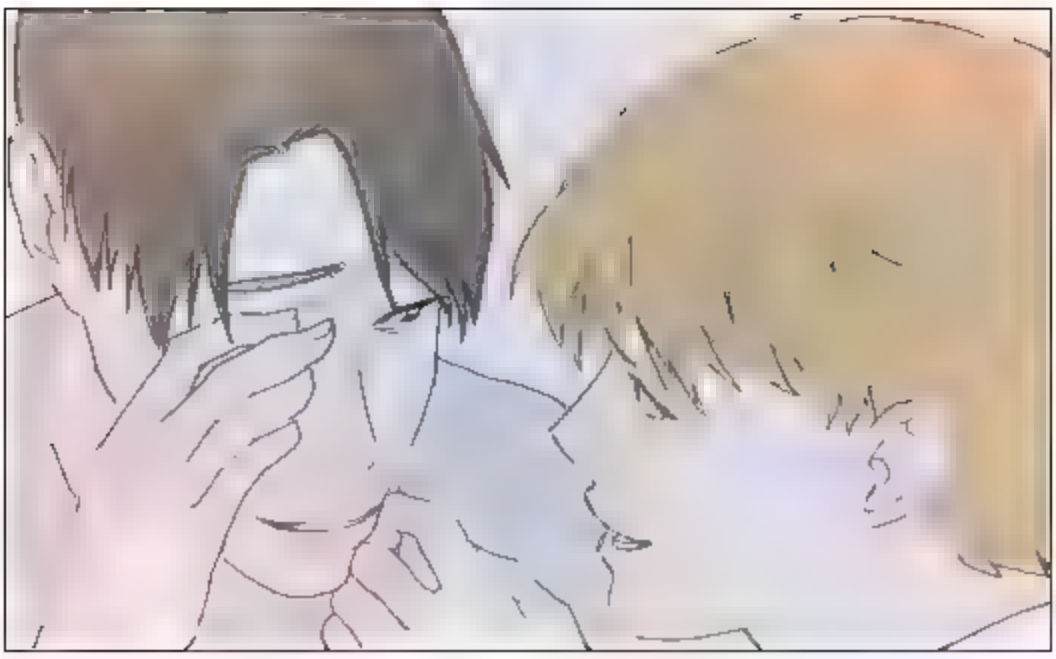
You're just smiling...

Like always.

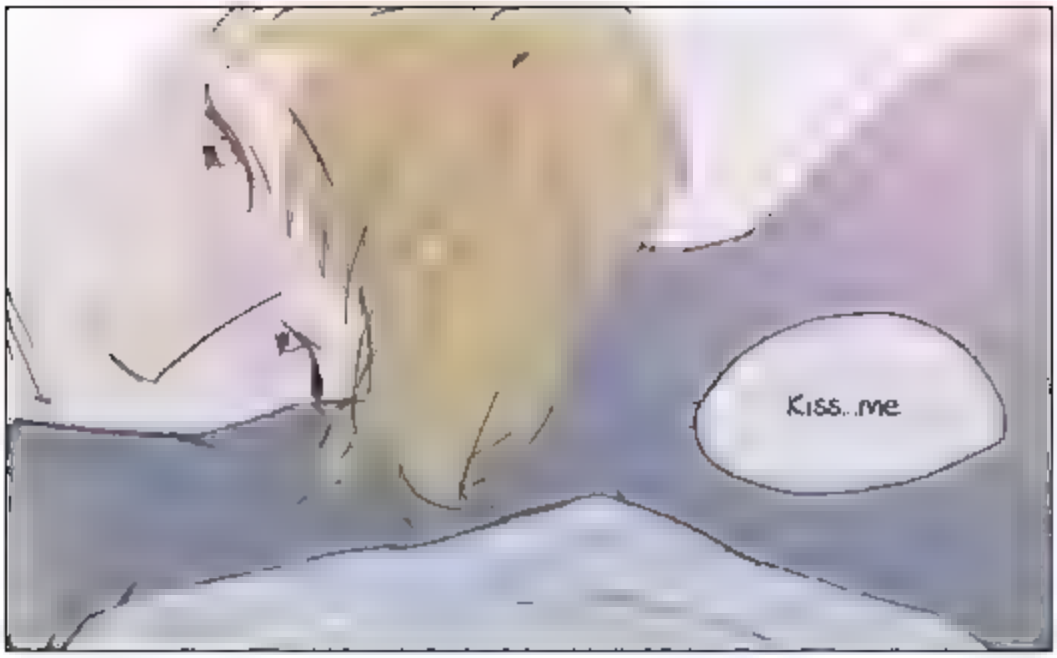


I can't even try to stop you.

When the world and my heart collapses,
and I become alone,

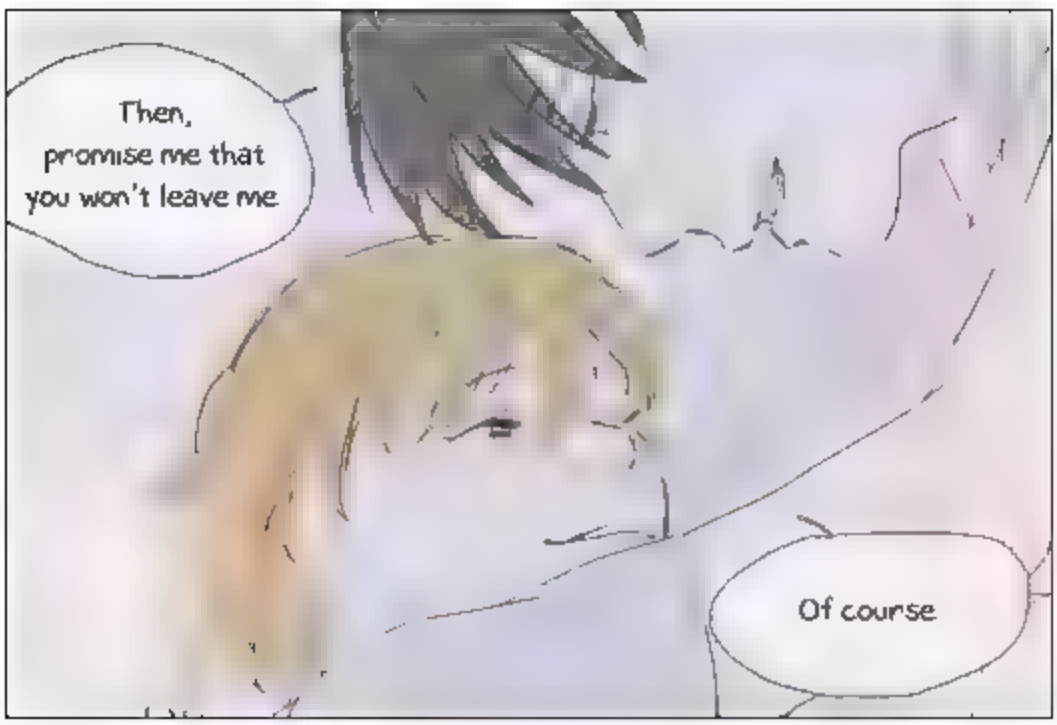


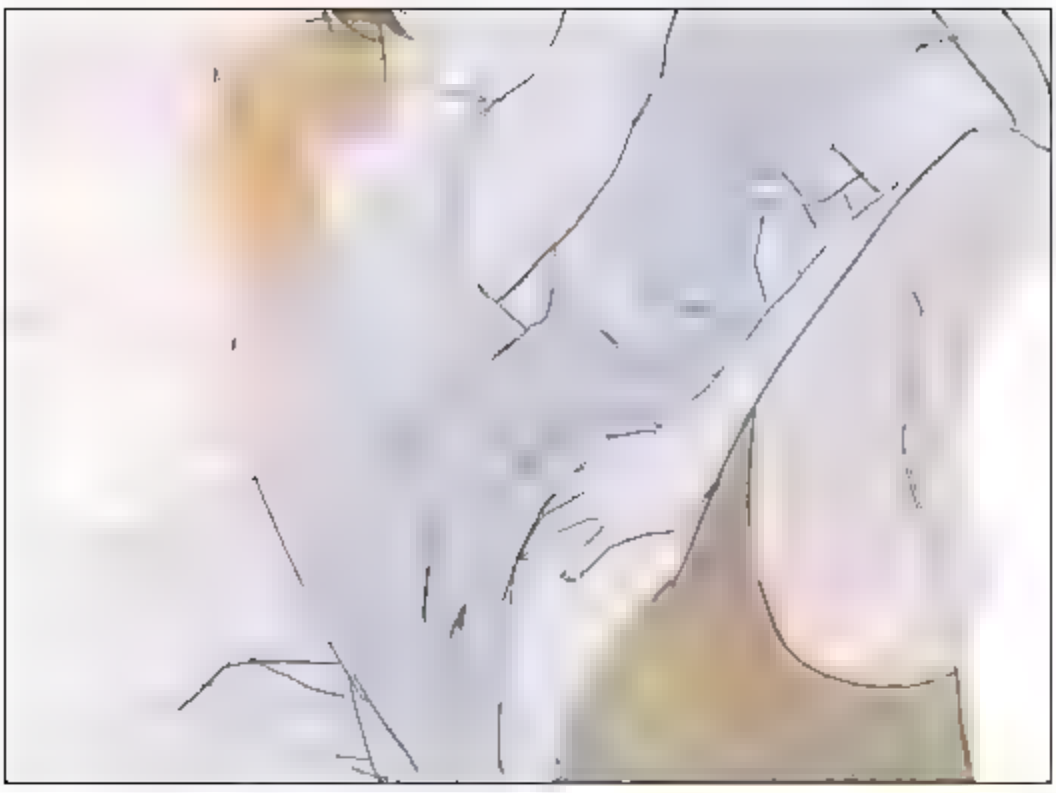
You must stay right by my side,
So we can start our unforgettable days again.



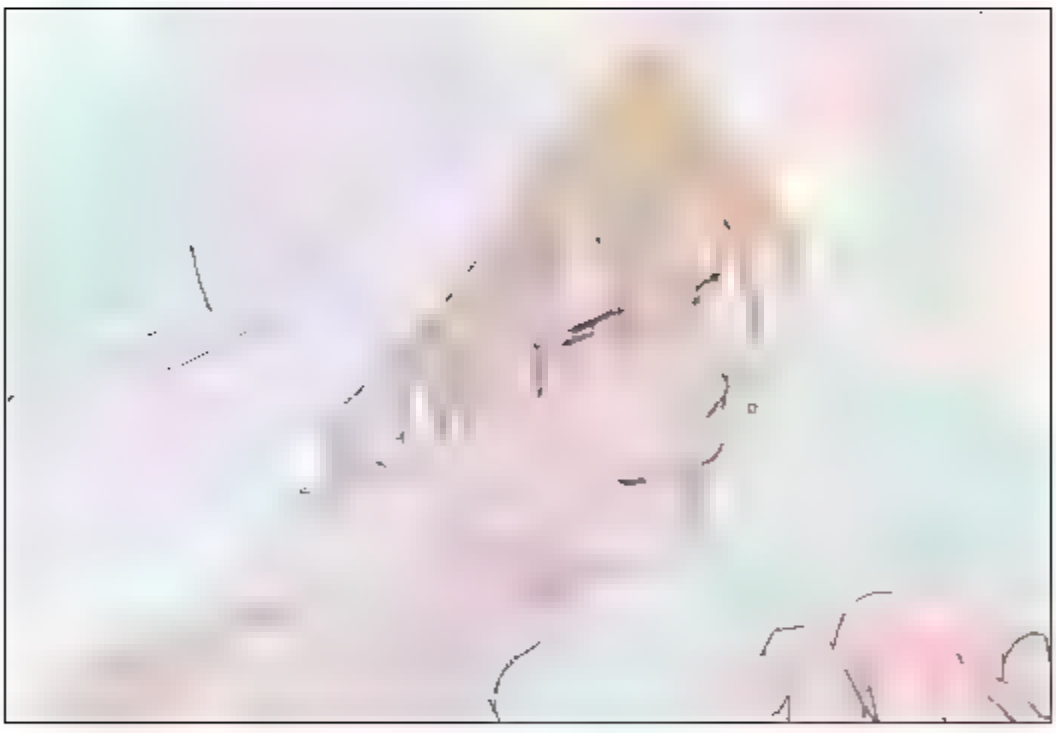
I am the scattering rain,

That the wind pushes away.



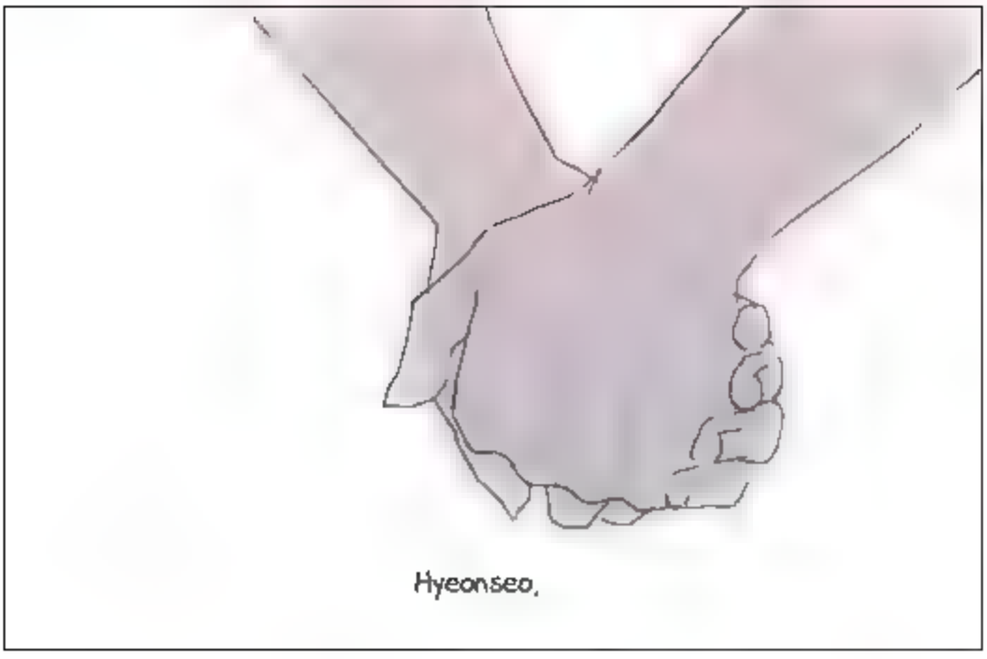


When it's time to return to the appointed ending,



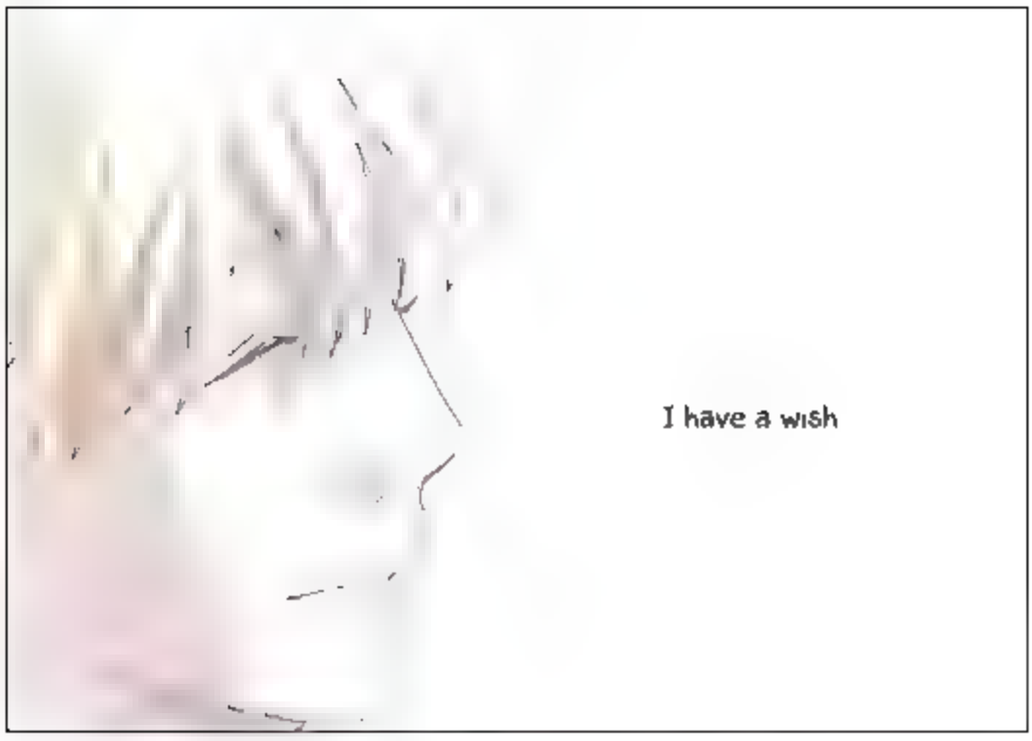
All I can do...

...is love you without regret within my given days.



Hyeonseo,

Can't you stay?
Hyung.



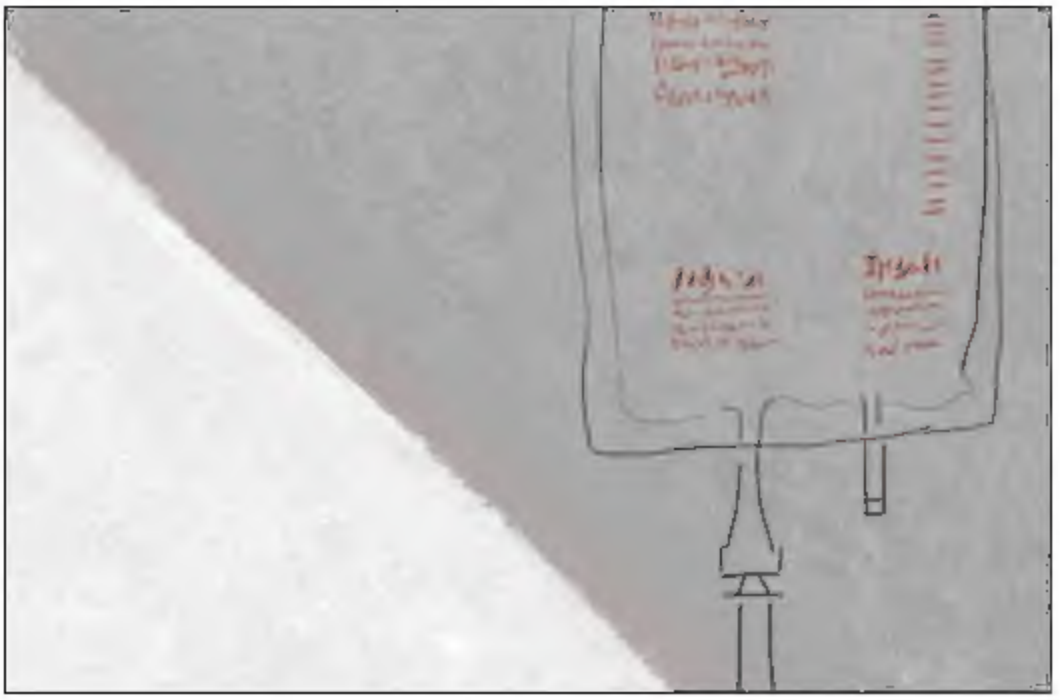
It's my last wish.

Smile at each other,

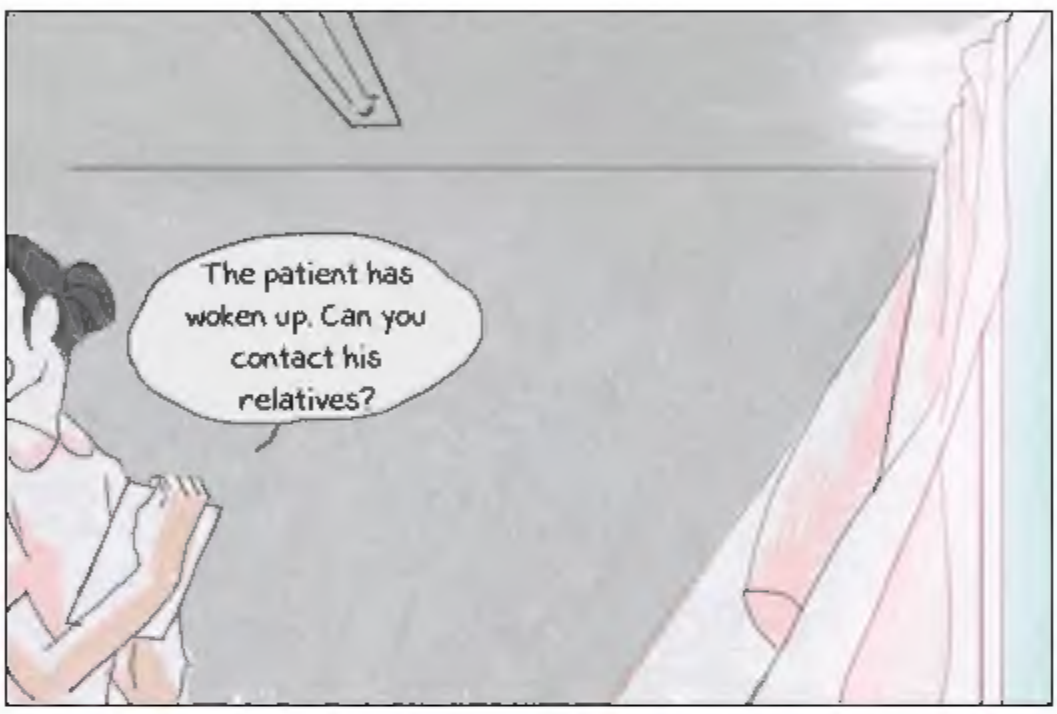
Forever

Goodbye

Stay inside your heart.



When I woke...



...it was already summer.
